

# FOSTER HOMES

wanted for cute faces like this!

**For the Love of a Lhasa Rescue Group is in dire need of foster homes. Foster homes provide love, care and food. All medical needs will be paid by the group. Please consider opening your home and heart to give a dog another chance at a life they so deserve! It is a rewarding cause to help the ones that cannot help themselves.**

**If you cannot foster, please consider other volunteer opportunities.**

For the  Love  
of a Lhasa Rescue

*Until they all have a home...*
